Mr. Paul Riendeau:

I had my computer serviced on Sept.6, 2012 at your Johnston location. I want to make you aware ,from a customer's perspective, the impression your employee, "Bob" made. He was friendly , courteous, and knowledgeable and most of all kept his word about when he would call and when the computer would be ready.

I hope you appreciate a good employee- there aren't many around. I certainly will recommend your business.

A handwritten signature in cursive script that reads "Marian Van Eyk". The signature is written in dark ink and is positioned above the printed name.
