Come in today and see why so many people are switching to us!

During your celebration of Independence Day is the perfect time to bring your computer in for service! With the kids out of school and the homework on hold, now is the time! Has it been running slow, getting pop-ups or have you just been thinking of getting upgrades? If you are in the market for a new computer, just drop off your old PC and let us transfer all your data to your new system! When you get back from vacation, just pick it up and you're ready to go! Bring in this ad and get a free data transfer with the purchase of any new computer in the store! **(A \$65 value for free!)**

We are always here with convenient store hours and a friendly, knowledgeable staff. We have been advertising regularly for years and we are always here for you, full time, all the time! That is why you see more and more local businesses coming to us for service everyday. **Over 10 years serving you and still growing strong!!**

We are here with a full line of name brand laptops and desktops, plus friendly local service you can trust! Come in today and see why we are the clear choice for all of your computer needs! We are carrying a full line of computers with Windows 7 as well as Windows XP. Our customers request them so we have them, unlike the big box stores! Log on to our website to see the list of the local businesses that we service & support!

Don't wait until everyone is rushing around trying to get their computer needs up to speed. Whether you need upgrades or a new computer, don't rush around later, get it out of the way today!
